## A Degree that Opens Doors

Stay connected for life!  
With your degree and as part of an alumni network with over 36,000 members, you will discover numerous new paths.

Around 80% have a permanent position after graduation, mostly in upper-level positions.

The HSG Entrepreneurship Hub supports start-ups throughout every phase of the process, from initial idea to implementation.

HSG also offers excellent opportunities for further development in continuing education or doctoral studies.
