# Programme overview

## Bachelor programmes (offered exclusively in English)

### Business:

**Wiener Neustadt, City Campus**

**Business Consultancy International**

Comprehensive training for international careers in business and consulting. This programme combines fundamental business concepts with in-depth expertise in specialised areas such as accounting, management, and marketing. A practice-oriented approach with an international focus and strong networking opportunities is at its core.

### Details:

**[fhwn.ac.at/bbcin](https://fhwn.ac.at/bbcin)**

**Duration:** 6 semesters (180 ECTS)

**Mode of Study:** Full-time

**Study Start:** End of August

**Contact:** [martina.warnung@fhwn.ac.at](mailto:martina.warnung@fhwn.ac.at)

### Engineering:

**Wiener Neustadt, Campus 1**

**Computer Science**

Development of reliable software systems with a global perspective, combined with technical expertise, research and international cooperation. Identifying & understanding current IT trends based on proven theoretical concepts enables the development of robust software solutions. Current trends such as artificial intelligence, combined with international co-operations & projects that deal with the requirements of modern systems offer valuable insights into the global IT landscape.

### Details:

**[fhwn.ac.at/bcsci](https://fhwn.ac.at/bcsci)**

- Continuous exams
- Hands-on projects
- Fixed schedule/exams

**OPEN HOUSE**  
**27. 2. 2026**

## Master programmes (offered exclusively in English)

### Business:

#### Wiener Neustadt, City Campus

##### **Global Business Leadership** <sup>1)</sup> formerly known as Business Consultancy International

The programme prepares for leadership positions in the dynamic world of global business. It allows specialisation in one of two areas – Strategic Finance & Investment or Strategic Marketing & Business Analytics – combining expert knowledge with analytical and leadership skills to drive effective strategies and lead organisations through transformation in a dynamic global business environment.

### Details:

**fhwn.ac.at/mgble**

**Duration:** 4 semesters (120 ECTS)

**Mode of Study:** Full-time

**Study Start:** End of August

**Contact:** [martina.warnung@fhwn.ac.at](mailto:martina.warnung@fhwn.ac.at)

##### **Sustainable Finance & Digital Transformation**

This Finance Master's programme combines sustainable finance with digital technologies. The hybrid format is flexible for working professionals. Real-world business cases and company collaborations provide hands-on experience. Flexible hybrid format (50-60% online) with in-person blocks (2-3 weeks per semester) and 30% of curriculum dedicated to technical (e.g. programming and data analytic) skills.

**fhwn.ac.at/msfdt**

**Duration:** 4 semesters (120 ECTS)

**Mode of Study:** Extra-occupational

**Study Start:** September

**Contact:** [ulrike.spies@fhwn.ac.at](mailto:ulrike.spies@fhwn.ac.at)

### Wieselburg

#### **Green Marketing & Sustainability Communication DE/EN**

Learn how to build sustainable brands, market green products and apply innovative strategies for responsible communication. The degree programme focuses on the marketing of sustainable products and services. Students acquire knowledge in ethical communication strategies, market analysis and the development of sustainable products in order to position them successfully on the market.

**fhwn.ac.at/mobma**

**Duration:** 4 semesters (120 ECTS)

**Mode of Study:** Extra-occupational

**Study Start:** mid-September

**Contact:** [margit.dellekart@fhwn.ac.at](mailto:margit.dellekart@fhwn.ac.at)

### Engineering:

#### Wiener Neustadt, Campus 1

##### **Aerospace Engineering**

A programme that equips students with advanced skills for developing cutting-edge aerospace technology. This programme provides comprehensive training in aerospace engineering, integrating theoretical knowledge with practical application. Students engage in advanced research and development projects, gaining expertise in aircraft & spacecraft design, propulsion systems, and aerospace materials.

### Details:

**fhwn.ac.at/maero**

**Duration:** 4 semesters (120 ECTS)

**Mode of Study:** Full-time

**Study Start:** September

**Contact:** [maria.hampel-coulson@fhwn.ac.at](mailto:maria.hampel-coulson@fhwn.ac.at)

### Health:

#### Wiener Neustadt, Campus 1

##### **MedTech – Functional Imaging, Conventional & Ion Radiotherapy**

An unparalleled programme combining medical imaging and radiotherapy for a unique educational experience in Europe. This programme offers a comprehensive education in medical imaging & radiotherapy, bridging the gap between technology and medicine, providing students with in-depth knowledge and practical skills. Emphasising both theoretical foundations & hands-on experience, this course prepares graduates for diverse international career opportunities in healthcare and research.

### Details:

**fhwn.ac.at/mmtec**

**Duration:** 4 semesters (120 ECTS)

**Mode of Study:** Extra-occupational

**Study Start:** September

**Contact:** [birgit.prudic@fhwn.ac.at](mailto:birgit.prudic@fhwn.ac.at)

## GET STARTED IN 3 EASY STEPS

- 1. Apply on [fhwn.ac.at/bewerbung](https://fhwn.ac.at/bewerbung) & Upload Required Documents:**  
CV, motivation letter (if necessary, depends on study programme), proof of identity, study-specific additional qualifications/documents (e.g., currently available certificates).
- 2. Invitation to Admission Process:**  
This varies depending on the study programme and may include a computer test, interview, teamwork task, or aptitude test. Check the specific study programme website for details.
- 3. Results sent within 2 weeks:**  
Acceptance, ranking on the waiting list or rejection. You don't need "Matura" (school leaving certificate or bachelor's examination) to apply – just sent it after you obtain it.

## ON-SITE & ONLINE EVENTS

### Information events

Whether on site or online, our student advisory service is happy to assist you with your choice of study programme and looks forward to a personal conversation. Upcoming dates available at: [fhwn.ac.at/en/events](https://fhwn.ac.at/en/events)

[fhwn.ac.at/en/university/campus](https://fhwn.ac.at/en/university/campus)

## YOUR STUDY LOCATIONS IN AUSTRIA & BEYOND

- Wiener Neustadt:** Located in the Vienna Alps, this vibrant city is home to historic landmarks such as the Romanesque cathedral and the revitalised Kasematten. Only 30 minutes from Vienna and 40 minutes to Vienna Airport, it's perfect for exploring Europe.
  - Campus 1 Wiener Neustadt:** Engineering & Health
  - City Campus:** Business
- Wieselburg:** Located in the picturesque Mostviertel, Wieselburg combines a peaceful atmosphere with modern opportunities. It features excellent infrastructure, a lively cultural scene, and sustainable innovation.
  - Campus Wieselburg:** Family-friendly campus, marketing & sustainable innovation
