OUR PROGRAMMES

At Frankfurt School, we offer more than just in-depth financial knowledge. Our bachelor programmes are designed to educate and empower the next generation of global leaders.

BUSINESS ADMINISTRATION

The Bachelor in Business Administration (BSc) at Frankfurt School is a flexible programme that helps you get started with your career. Through core modules you will learn essential skills and competencies to manage and lead an organisation in various departments.

— Compulsory modules fully taught in either English or German
— RegularTrack and CompactTrack
— Opportunity to study with a cooperation partner
— Specialise in your chosen concentration

ARTIFICIAL INTELLIGENCE & DATA ENGINEERING

The Bachelor in Artificial Intelligence & Data Engineering (BSc) combines artificial intelligence, data engineering and analytical methods with a strong understanding of business. You will develop the technical and quantitative skills to work with data, build intelligent systems and turn complex challenges into practical solutions.

— Fully taught in English
— RegularTrack
— Specialise in your chosen concentration

MANAGEMENT, PHILOSOPHY & ECONOMICS

The Bachelor in Management, Philosophy & Economics (BSc) combines the scientific rigour of economics and analytical acuity of philosophy to give our students an incomparable international education and a distinct advantage in the global marketplace.

— Fully taught in English
— RegularTrack
— Specialise in your chosen concentration

BUSINESS INFORMATION SYSTEMS ENGINEERING

The Bachelor in Business Information Systems Engineering (BSc) positions you at the interface between IT and management. With a solid foundation in business, you learn how to create digital solutions, integrate AI into business processes and develop resilient IT architectures.

— Fully taught in English
— CompactTrack
— Combine study and work experience
— Specialise in your chosen concentration

FOUNDATION YEAR

The Foundation Year is a programme for students who want to be best prepared for academic studies at undergraduate level. The programme will enable you to increase your academic and language skills, acquire additional subject knowledge and prepare you for the rigour of undergraduate studies at Frankfurt School.

— Fully taught in English
— RegularTrack
— Specialise in your chosen concentration

STUDY ABROAD

"One of the main reasons I chose Frankfurt School was the unique opportunity to complete two semesters abroad with outstanding support and access to a large international partner network. From the very beginning, I knew I wanted to spend a semester in Australia, and I was excited to accomplish this at Griffith University on the beautiful Gold Coast. This experience perfectly combined my passion for travel, my curiosity for new cultures and my desire to live and study in a completely different environment.

Studying abroad allows me to explore different countries and cultures in a much deeper way than simply visiting as a tourist. Living in another country pushes me out of my comfort zone and gives me the chance to grow both personally and academically. For my second semester abroad, I chose to stay closer to home, in Paris, a city rich in culture, history and new perspectives.

ADRIANA RAU
Bachelor in Business Administration
Class of 2027

STUDENT LIFE

Frankfurt School is a community of aspiring and inspiring individuals.

This spirit is present in our various student initiatives, sport and business competitions, the work of our student council and other shared projects and events.

Frankfurt School has around 50 student initiatives. They are categorised in Sports & Competitions, Personal and Professional Development, Arts & Culture, Social Engagement and Societies. A diverse and unique offering for all Frankfurt School students to participate in, engage with and meet fellow students from all study programmes.

"FS Business Case is the place to develop your skills while travelling (BE) and, most importantly, making friends around the globe. Join us and become part of this exciting journey!

Each year, our members participate in case competitions around the world, from Denmark and Mexico to Romania and beyond. They tackle real-world business challenges, gain hands-on experience and connect with students internationally.

Beyond competitions, we organise workshops and preparation sessions to strengthen analytical, presentation and teamwork skills."

Leonie Rachel Bussian
Bachelor in Business Administration
Class of 2028

MORE ABOUT CAREER SERVICES

ENTREPRENEURSHIP CENTRE

The FS Entrepreneurship Centre helps student and alumni startups connect with industry experts and investors in various fields.

In addition to resources and connections, the Centre offers two programmes:

Incubator: a yearlong incubator with ongoing support and events.

Accelerator: a 6–8-week accelerator with intense coaching and a demo day for pitching to investors.

Both programmes are designed to help startups succeed and thrive.

Since the kick-off event back in May 2022, the FS Entrepreneurship Centre (FSEC) successfully backed startups to secure close to 40M euros of investment. Furthermore, FSEC helped to build a network of close to 150 coaches from a wide range of industries, bringing a wealth of expertise and years of experience on board, and a portfolio of over 50 startups from ideation to the Series A funding stage.

INCUBATOR	ACCELERATOR

SUCCESS STORIES

Aurelia Auracher

Porsche Consulting

Consultant

Management, Philosophy & Economics (BSc)

Class of 2020

"After completing my bachelor's degree with a focus on Management, Philosophy & Economics at Frankfurt School, I started with the Master in Management at Frankfurt School straight away.

After graduating, I started as a consultant at Porsche Consulting.

My time at Frankfurt School definitely helped me to figure out what industry I want to work in, as I was able to complete many different internships, and also prepared me to work in a fast-changing environment."

Johannes Hauenschild

Bachelor in Business Administration (BSc)

Class of 2023

„Starting my Frankfurt School Journey with a bachelor's degree focusing on Management, Philosophy & Economics, my studies allowed me to continuously develop my skills and become engaged in politics, which eventually led to my current mandate as a city councillor for the city of Frankfurt. As chair of the committee on economy, my work focuses on the economical development of the city besides responsibilities in the fields of digitalisation, security and city planning. With the subsequent Master in Management programme, I could further develop personally and learn skills which I can use in my role. Having recently graduated, I am excited to see what's ahead for me after my mandate, but I know that my experiences and learnings from Frankfurt School have prepared me to work in any field."

Jaskaran Singh

World Bank

FinTech Professional

Bachelor in Business Administration (BSc)

Class of 2022

"Graduating from Frankfurt School with a bachelor's degree in International Management was a pivotal moment in my life.

The education and experiences I gained during my time there served as a springboard for my successful career at the World Bank. The programme offered a comprehensive curriculum, access to valuable advice from the Career Services and holistic international exposure through semester abroad opportunities, thus helping to develop the skills, knowledge and connections necessary to thrive in the global job market.

As I look back on my rewarding journey at Frankfurt School , I am grateful for the opportunities that my degree provided and the doors it opened for me to make a meaningful impact on a global scale."

YOUR APPLICATION

APPLY HERE

1 1 SEPTEMBER **APPLICATIONS OPEN**

Apply online
Upload the following supporting documents:

— Recognised school leaving certificate*
— Motivation letter (optional, however recommended)
— CV and additional documents**
— Application fee EUR 100

2 30 JUNE **APPLICATION DEADLINE**

Apply as early as possible
Competition is strong and study places are assigned quickly. We therefore encourage you to complete your application as early as possible.

3 **ONLINE INTERVIEWS & ASSESSMENTS**

We arrange multiple Assessment Centres each year in both English and German. These take place online and consist of various tests plus an interview.

4 **ADMISSION DECISION**

The final decision regarding admission to our BSc programmes will be based on a combination of your school grades, overall performance at the Assessment Centre, extracurricular activities, work experience and an interview.

5 LATE AUGUST **INTRODUCTION WEEK**

Get to know your new course mates
The week before classes start, we will offer interactive workshops and info sessions on your chosen courses. It's the perfect opportunity to get to know Frankfurt and your future course mates!

6 SEPTEMBER **YOUR STUDIES START HERE!**

Your life and studies start at Frankfurt School. We are happy to welcome you and support your future career.

* If you have not graduated yet, you can apply by uploading your last two school reports.
** Proof of relevant work experience, extracurricular activities, additional training/education and previous studies (including transcripts).

HAVE ANY QUESTIONS?

APPLICATION & ADMISSION

Q: When can I start my application and when is the application deadline?
A: The application portal will be open from 1 September until 30 June. Applications after the deadline might be considered in special cases.

Q: When will I receive a response regarding my application?
A: Once you have submitted your online application, you will usually hear back from us within 2 weeks. Exceptions can, of course, occur.

Q: Do I need to take an English test (e.g. TOEFL or IELTS)?
A: No, you do not. An English test is incorporated into our Assessment Centre, therefore you are not required to take an external one. However, should you have already taken a test, you can upload your results into your online application.

Q: What is the Assessment Centre?
A: The Assessment Centre consists of cognitive, maths and English tests as well as an interview. The Assessment Centre allows us to get an overall impression of our candidates and allows you to see whether Frankfurt School is the right choice for you. It is possible to complete it in German or English.

Q: Can I switch between different time models (RegularTrack or CompactTrack) after submitting my application?
A: Yes, you can still change to your preferred time model before the programme starts.

Q: When are your Assessment Centre dates?
A: Our Assessment Centres take place approximately once a month. Please see our website for the exact dates and language options.

Q: How can I prepare for the Assessment Centre?
A: Practice tests for mathematics, cognitive skills and English are available on our website. Once you have been invited to an Assessment Centre, we will also send you the relevant practice tests again with your invitation.

Q: Do I need to have my recognised school leaving certificate to apply?
A: No, you do not. If you have not graduated yet, then you can apply by uploading your last two school report cards. You can hand in your final school certificates before your studies start.

Q: How often can I apply?
A: You can only complete the application process once per academic year (September to August).

SEMESTER ABROAD

Q: How much does the semester abroad cost?
A: The costs of the semester abroad vary depending on the country and university you choose.

Q: Is the semester abroad obligatory?
A: Yes, you must complete at least one semester abroad during your studies.

Q: Do I need to study at a partner university?
A: No, if you have chosen a university which is not listed as one of our partner universities, you may go abroad as a "free-mover". You then organise your stay at the university of your choice.

GENERAL

Q: When do exams take place?
A: Exams at Frankfurt School take place twice a semester. In October and March you have your midterms and in December and May your final semester exams.

Q: When are the semester holidays?
A: Semesters are September to December and February to May. Between these times there are semester breaks.

Q: Do I get housing assistance from Frankfurt School?
A: Yes, Frankfurt School has several partnerships with student dormitories and other private housing options.

SCHOLARSHIP

Q: Does Frankfurt School offer scholarships?
A: Yes, we offer two kinds of scholarships: the General FS Scholarship and the Diversity Scholarship.

Q: Who is eligible to apply?
A: A scholarship application is open to everyone. To qualify, candidates should demonstrate high academic results, strong performance in our Assessment Centre and active participation in extracurricular activities.
